EDITOR GEORGE LORIMER DIES OF PNEUMONIA

Saturday Evening Post Editor For 38 Years

Philadelphia, Oct. 23.—(AP)—George Horace Lorimer, 69, who retired last January after 38 years as editor of the Saturday Evening Post, died last night of pneumonia.

Lorimer's name went on the masthead of the Post on the cable advice of Cyrus H. K. Curtis who had gone to Paris to find an editor for the magazine. He had purchased it a short time before and had left Lorimer in nominal charge of the publication while he went abroad.

Curtis' efforts to enlist John Brisson Walker, who had made a success of the Cosmopolitan as the first 10-cent monthly magazine, failed. A secretary sent him four copies of the Post edited by Lorimer as he was about to return to the United States. After studying the copies he cabled Lorimer: "You are the editor. Put your name on the masthead."

Remarkable Success
The name of George Horace Lorimer remained on the masthead for 38 years, during which the Saturday Evening Post grew from an obscure magazine to the magazine with the largest circulation in the world.

Lorimer had made two previous starts in seeking a career. He entered the meat packing business in Chicago with Armour & Company. After eight years he abandoned this job to go to Boston and a reporters' job on the Boston Post.

It was while he was in Boston that he saw a notice that Curtis had purchased the name of the Saturday Evening Post founded by Benjamin Franklin, for \$1,000, and was going to build a magazine around it.

He applied for a job. His letter of application clicked and in 1898 he was on his way to Philadelphia.

Injunction Ruling On Marriage Mill Deferred Awhile

Crown Point, Ind., Oct. 23.—(AP)—Judge T. Joseph Sullivan deferred today until November 5 a ruling on Prosecutor Fred Egan's suit for an injunction to halt operations of the Calumet "marriage mill."

Lake county Methodist ministers made public a pledge to ban marriage ceremonies in their churches for non-resident couples.

The Rev. Schuyler Rogers of Gary said, "We are interested not only in checking the wholesale nature of the marriages, but also from the standpoint of health. We fear that diseased children may be brought into the world by couples who go to Crown Point to escape the Illinois hygienic marriage law."

Attorneys for George W. Sweigart, Lake county clerk, against whom the injunction has been sought, contended yesterday the 1852 Indiana law, which Attorney General Omer S. Jackson said would ban issuance of a license to any woman not a resident of Lake county, applied only to Indiana couples.

Skating Rink Manager Puts Up "No Parking" Sign; Arrested Twice

Minneapolis, Oct. 23.—(AP)—The "no parking" zone Lyle Wright, manager of a skating rink, has established outside the arena, proved a boomerang. Wright was arrested for parking in the zone.

At the same time Grall said he would obtain a report on previous tests made on a former asylum inmate arrested in Marshall, Mich., who at first confessed Grall said, he killed the girl and later denied any knowledge of the slaying.

Death Sentences Reported In Rural Regions Of Volga

Moscow, Oct. 23.—(AP)—Twelve more death sentences were reported today in the Soviet rural regions. Seven persons convicted of "undermining" collective farms in the Volga republic and five convicted as "destroyers" of cattle and grain in Sverdlovsk, in the Urals, were given the supreme penalty.

Under the recent decree providing longer prison terms for so-called wreckers, courts have been imposing more prison sentences. Eleven defendants in the Volga case were given prison terms ranging from seven to 25 years. One on the Urals was given a 15-year term.

INJURED IN COLLISION

Belvidere, Ill., Oct. 23.—(AP)—Two women and a man returning from a dance were injured seriously early today in an automobile collision. They were Theresa Zimmerman, residing between Huntley and Union; Jessie Vanlue, 18, residing near Harvard; and Clyde W. Veihan of Woodstock. They were treated here and taken to Sherman Hospital, Elgin.

Drug Deaths

Chicago, Oct. 23.—(AP)—Deaths verified as caused by use of a preparation of sulfanilamide including diethylene glycol totaled 36 throughout the nation today, the American Medical Association reported.

New cases in Alabama and possibly one in California were reported by Dr. Morris Fishbein, editor of the Association Journal.

Death by cities as announced by the association included East St. Louis, Ill., six, and Granite City, Ill., one.

Dr. Fishbein, who issued a warning against use of the preparation Monday, said he wished to emphasize that all the cases he had verified were those in which the patients had taken the particular combination of sulfanilamide and diethylene glycol.

Experiments showed, he added, the diethylene glycol—rather than sulfanilamide was the dangerous ingredient of the compound.

ROY GARR ALSO FREED AMIDST WILD APPLAUSE

Goes Back To Bird Dogs On Kentucky Blue Grass Farm

Shelbyville, Ky., Oct. 23.—(AP)—Roy Garr, who a month ago shot to death Brig. Gen. Henry H. Denhardt when they met on the main street of this little bluegrass town, went back to his bird dogs today, a free man.

A jury of 12 tobacco farmers acquitted him of a murder charge last night amid wild applause.

Jack Garr, 37, youngest of three indicted for the slaying of the man who once was tried for the fatal shooting of his sister, Mrs. Verna Garr Taylor, 40, was acquitted earlier on a directed verdict.

He was with Roy and Dr. E. S. Denhardt was shot, but was not armed.

One Trial Postponed

The case of Dr. Garr, the oldest brother, was postponed to February.

The jury which freed Roy, 46, La Grange, Ky., bird dog trainer and farmer, had before it commonwealth evidence that the 61-year-old Denhardt was shot in the back and defense testimony that Roy shot the general when the latter reached for his hip pocket.

The defense also presented expert testimony that Roy had been "temporarily insane."

Denhardt was shot September 20. His second trial was scheduled in nearby New Castle the following day.

Mrs. Taylor, a pretty brunette widow with two daughters, was shot to death Nov. 6, 1936, on a Henry county side road where the automobile in which she had been riding most of the day with Denhardt had stalled.

Denhardt said she killed herself over family objections to their proposed marriage.

Former President St. Ambrose College Dies In Davenport

Philadelphia, Oct. 23.—(AP)—Mrs. Elizabeth Donner Roosevelt, former wife of Elliott Roosevelt, and Curtin Winsor of Ardmore, Pa., were married at noon today in the chapel of the Second Presbyterian church by the Rev. Alex MacColl, pastor of the church.

After a short wedding trip the Winsors will live at "Brentwood," Rosemont, Pa.

Arctic Explorer Off For Alaska To Hunt Fliers

Cleveland, Oct. 23.—(AP)—Sir Hubert Wilkins, Arctic explorer, took off from Cleveland airport today for Chicago and Minneapolis on his trip to Alaska to renew a search for five missing Russian transpolar fliers.

Wilkins left Floyd Bennett Field, L. I., yesterday and stopped here last night.

\$1,000 Robbery at Kline's Store Discovered as Store Opened Today

The Kline department store on East First street was the scene of a bold and daring robbery this morning, which was discovered by Miss Christine Buchanan, cashier, at 8:30. Two days receipts, totaling about \$1,000, was taken from the small safe in the basement of the building, Manager Kaiserman estimated. From all appearances entrance was gained with a key to the lock on the front door.

The safe was opened, which led to the belief that the thief was well acquainted with the store and safe. The front door of the store was

unlocked when members of the clerical force reported for duty this morning, which convinced the store management that entrance was gained by the use of a master key.

The office is located in the basement beneath the stairs and the door of the safe was found lying on the floor. The police were notified at once and summoned Chief J. D. Van Bibber who made an investigation. Night Merchant Police Officer McIntyre stated that he tried the front door of the store at 4 o'clock this morning and found it to be securely locked.

TEN STUDENTS DEAD IN WORST TRAIN ACCIDENT

Nineteen Others Are Severely Injured; Bus Wrecked

Mason City, Ia., Oct. 23.—(AP)—Ten persons, including seven high school students, were dead and 19 injured today in the wake of the middle west's most disastrous streamlined train accident.

Besides the students, two teachers and a bus driver lost their lives when the glistering new "Rocket," three-car streamlined passenger train of the Rock Island railroad, plowed into a school bus on the outskirts of the city yesterday afternoon.

The bodies of dead and injured were scattered 500 feet down the right-of-way as the wooden bus burst open under the impact at a private crossing inside the yards of the Mason City Brick and Tile Company.

The students came here from Renwick, Ia., early in the day on a tour of Mason City industrial plants.

George Simpson of Des Moines, Ia., the engineer, said his train was traveling "between 20 and 25 miles an hour."

Fatalities

The dead: Rex Simpson, 28, bus driver; Dorothy Ross, 25, of Creston, Ia., and Loren Morten, 26, of Guernsey, Ia., both teachers; Lillian Cedar, 14, Hardy, Ia.; Don Amos, 16, Goldfield, Ia.; Patsy Turney, 14, Norman Eggerth, 16; Lowell Kelling, 15, Jimmy Bell, 15; Albert Siemens, 16, all students, the latter five from Renwick.

Vern Mott, of Mason City, who saw the accident said:

"The Rocket hit the bus squarely in the center and the big vehicle, of wooden construction, popped open as if it were a watermelon being dropped on the ground."

Headon Collision Kills Man, Nephew

Lincoln, Ill., Oct. 23.—(AP)—A St. Louis man and a year-old child, killed in an automobile collision near here, were identified by Coroner E. C. Hoff today as Frank Benfionti, 45, and Thomas Bartoletta, one.

Mrs. Josephine Palma Bartoletta, 35, mother of the child, was in a critical condition at a local hospital with skull, leg and arm fractures.

Another son, Sam Bartoletta, 12, gave officials the names. He also was reported to have a fractured skull.

The Benfionti car collided late yesterday with an automobile being driven northward by Arthur Adair, 50, Wayneville, who was less seriously injured.

Coroner Goff, postponing the inquest, said Benfionti and Mrs. Bartoletta were distant relatives. They were driving from Chicago to St. Louis.

Joe Miller Garage Is Showing 1938 Models of Plymouth, Chrysler

Joe Miller, proprietor of the Miller garage, announced today the 1938 models of Chrysler and Plymouth now on display.

The Chrysler of 1938 appear in three smart models, the Royal, the Imperial and the Custom Imperial all in smart, new streamlined styles and with new and modern automobile improvements. Mr. Miller invites the public to come in and see these fine new automobiles.

Boy's 70-Mile An Hour Flight Ends In Tragic Crash

Chicago, Oct. 23.—(AP)—An 11-year-old boy's 70-mile-an-hour flight from police ended today when the car he was driving crashed against three parked machines, overturned and burst into flames.

Unconscious and with a deep cut over his left eye, the boy, Roderick Hughes, was dragged from the wreckage a moment before it caught fire.

The large sedan in which the boy drove through north side streets at a fast clip with a police car screaming behind was owned by Mrs. Grey Sullivan, who had purchased it only two months ago.

Police said the sedan had been parked in front of her home early today by a garage attendant who left the keys in it. They believed the boy drove the car away for a lark.

Under \$2500 Bond

Freeport, Ill., Oct. 23.—(AP)—Dr. C. R. Brigham, Polo, Ill., physician, posted \$2500 bond today for arraignment November 15 on a federal indictment charging him with violating the narcotics act.

The indictment was returned Tuesday and suppressed.

Board of Education to Provide New Field for Athletics and Skating

Purchase of Land North of High School Made

The Dixon board of education today completed negotiations for the purchase of several lots immediately north of the high school building and announced that the land will be used for an athletic field and ice skating rink.

In order to render the tract available for use a considerable amount of filling and grading will be necessary, so that it may not be possible to use it for skating this winter, but it is planned to prepare it for seeding early next spring so that it can be used next fall as an athletic field and for skating during the following winters.

The purchase of these lots will insure adequate room for athletic activities which are expanding each year because of the increasing enrollment in the high school.

It is hoped that at least a part of the tract can be leveled this fall so that it can be flooded and used for skating.

George Netiz "Father"

George Netiz was the originator of the plan for the municipal skating rink and conferred with the board of education in the development of the project. After grading the lots it is planned to arrange an electric lighting system, and the rink will be patrolled to prevent its use during mild weather. The city is also to be asked to co-operate by spraying the parkway in freezing weather to provide a suitable surface for skating. Mr. Netiz has investigated and inspected several municipal rinks in Chicago and other cities and combined the plans for the development of a skating park in Dixon.

The skating park proposal met with instant approval when Mr. Netiz announced plans for the immediate preparation of the ground. At noon today he announced that the Dixon water company had agreed to furnish water for the flooding of the ground, which is 280 feet in width and 140 feet deep.

Charles K. Willett assured Mr. Netiz that he would make the survey for the skating park and Commissioner Joe E. Valle of the city street department agreed to donate the use of the city's grading machinery to put the site in condition. Mr. Netiz expected to start work early next week in getting the skating park in condition for flooding as soon as freezing weather arrives and to make it a permanent rink.

May Postpone Meet Of 9 Powers Until Japs are Prepared

Brussels, Oct. 28.—(AP)—The Belgian foreign office disclosed today the government was considering postponing the nine-power conference on the Chinese-Japanese conflict from October 30 to November 3.

Belgian officials indicated they believed Japan would participate in the conference, called to seek means of bringing peace to the Orient. This optimism was understood to be based on negotiations under way today in Tokyo. (Japan had objected that the October 30 date gave her insufficient time for preparation.)

Japan is the only signatory of the nine-power treaty whose participation remains in doubt. Denmark and Norway accepted today.

Waukegan Grigger Suffers Concussion In Freepart Game

Freeport, Ill., Oct. 23.—(AP)—John Jerusis, 16, sophomore line-man on the Waukegan high school football team, was in a hospital here today with a slight brain concussion incurred last night in the Freepart-Waukegan game. He regained consciousness today and his condition was said to be not critical.

DIES WHILE WALKING

Caledonia, Ill., Oct. 23.—(AP)—William Gould, 78, Caledonia, died suddenly at Beloit, Wis., last night while walking to a nephew's home from Strong stadium where he had attempted the Beloit-Madison west high school football game.

The large sedan in which the boy drove through north side streets at a fast clip with a police car screaming behind was owned by Mrs. Grey Sullivan, who had purchased it only two months ago.

Police said the sedan had been parked in front of her home early today by a garage attendant who left the keys in it. They believed the boy drove the car away for a lark.

Freeport, Ill., Oct. 23.—(AP)—Dr. C. R. Brigham, Polo, Ill., physician, posted \$2500 bond today for arraignment November 15 on a federal indictment charging him with violating the narcotics act.

The indictment was returned Tuesday and suppressed.

Undecided

Buffalo, N. Y., Oct. 23.—(AP)—A mixed flock of starlings and bronze grackles fluttered about in Humboldt Park today as scientists wondered whether they were homelick for Waukegan, Ill.

The birds, 54 in all, were released from express crates yesterday after their arrival from the Illinois city. Metal bands on their legs eventually will tell, ornithologists hope, whether the birds will make their seasonal migration south direct from here or dash back to Waukegan to start their vacation trip.

Another thing the bird students want to find out is whether the birds will return to Waukegan or to Buffalo with the advent of spring in the north.

James Savage, Buffalo ornithologist, released the birds at the request of William I. Lyon, Waukegan, president of the Inland Bird Banding association. Lyon trapped the birds on his sanctuary.

NEW TAXES TO FOLLOW CROP CONTROL PLAN

President Says Program Should Not Further Unbalance Budget

Washington, Oct. 23.—(AP)—Chairman Jones (D-Tex.) of the house agriculture committee made public today a letter from President Roosevelt saying new taxes would be necessary if the cost of a crop control program is increased by the special session of congress.

They resident outlined his plans for crop control legislation in letters to Chairman Smith (D-SC) of the senate agriculture committee and to Jones.

"It is of course, especially important that any new legislation should not unbalance the expected balancing of the budget," the president wrote.

"In other words, no additional federal expenditures from the general fund of the treasury should be made over and above existing planned expenditures. The only exception to this would be the incurring of additional obligations on the part of the treasury, backed 100 per cent by additional receipts from new taxes."

Must Maintain Balance
"In other words, whatever goes out must be balanced by an equivalent amount coming in."

Congress appropriated \$500,000,000 for soil conservation during the current year.

In making public the President's letter, Jones said, "I feel confident that legislation can be worked embodying these principles." He added he was "hopeful that we may have a bill ready for consideration in the early part of the session."

The President's letter warned against a repetition of the Republican farm board experiment with control of farm surpluses.

"I wish to emphasize especially," he said, "that any price stabilizing features, through loans or other devices, should be re-enforced by effective provision against the piling up of unmanageable supplies. We must never again invite the collapse of farm prices, the stoppage of farm buying and the demoralization of business that followed the federal farm board's attempts to maintain farm prices without control of farm surpluses."

On Weird Search

Chelsea, Mass., Oct. 23.—(AP)—Engineers and workmen joined forces today in a weird search for bodies of two men lost in a mile and a half sewer main.

The men, Walter Stutz, 44, and Arthur P. Peterson, 30, both of Boston, entered the main yesterday to open a valve controlling an auxiliary flow of water. They were overcome by sewer gas and tumbled into the stream.

South Dixon Highway Official Is Held Up and Robbed Friday Night

Highway Commissioner William King of South Dixon township was held up and robbed at his home in Eldena last night at 11 o'clock relieved of a billfold containing about \$78, as he and his daughter arrived home from Amboy where they had attended an entertainment at the high school where she is a student.

Miss King went into the house and her father drove the car into the garage, then started for the house. At the corner of the building he was halted by a stranger who poked a revolver into his body and commanded him to put up his hands, then took the billfold from

his pocket. The other men, Commissioner King told Sheriff Miller, stood about 20 feet away, but neither of them spoke.

After taking his billfold, King was ordered to go into the house and make no report of the affair. He obeyed the command but later crawled to the home of a neighbor, where he telephoned the sheriff's office, and reported the bold hold-up. Sheriff Miller and Deputy Finch went to the King home at once, and as soon as they had made an investigation, broadcast notice of the robbery over the state police radio system from the Sterling station.

KIDNAP TRAIL VANISHES AT BLUE ISLAND

Bank Insists Further Tracing of Ransom Bill Useless

Chicago, Oct. 23.—(AP)—Hopes of tracing a \$10 ransom bill to the lair of Charles S. Ross' kidnapers dwindled today when the trail led to the First National bank of Blue Island, a south side suburban district.

Discovery of the bill, part of \$50,000 paid in a futile attempt to effect the release of the 72-year-old retired manufacturer, had been considered the most promising lead in the 28-day-old mystery.

The trail of the \$10 note led from Mrs. Clara Ludwig, 41, to Florence Giaguinti, 20, a roomer at the Ludwig home, thence to William J. Wernecke, an insurance collector, and finally to the bank. Bank officials said it would be virtually impossible to trace it further.

The appearance of the ransom bill in Blue Island enhanced a belief that the crime was engineered by Chicago hoodlums. The state's attorney's office recently opened a drive on gambling establishments and investigators theorized it might have led former gamblers to try their hands at the kidnaping racket.

On Another Turn
The investigation took still another turn when federal agents received an anonymous letter in which the writer declared he had been offered some of the ransom money for sale. The letter was said to contain the name and address of a person who asked the writer to be a broker for the "hot money."

The letter gave the address of a south shore flat where the writer, who said he was a neighbor, claimed Ross had been held. The names of men the letter said had kidnapped the retired greeting card manufacturer were given, but the address and names were withheld by federal agents.

D. M. Ladd, federal agent in charge of the Chicago office, said the letter "is being or has been investigated."

It said in part: "Ross was there alive up until last Sunday and the cops searched but in the wrong flat. . . I am a neighbor, but was warned to keep my mouth shut as I saw plenty."

DISCONTINUANCE OF STATE-WIDE RELIEF IS ASKED

Springfield, Ill., Oct. 23.—(AP)—Prompt discontinuance of the Illinois Emergency Relief Commission and all state-wide relief was urged today by Earl C. Smith, president of the Illinois Agriculture Association.

Speaking before the legislative commission investigating relief and old age pensions, Smith declared that the relief responsibility should be placed entirely upon the local governments in the "interest of efficiency and economy."

"The longer the changes in the present policy are delayed, the more difficult will be the problem of employment," Smith said.

He urged that the I. E. A. C. and all its activities be discontinued by not later than next summer. Declaring that he was not criticizing the commission and expressing the opinion he spoke the views of a majority of Illinois rural residents, Smith advocated that "the people who are paying the bill should be informed on what is going on and how their money is spent."

He further expressed the opinion that the present system, both state and federal, fostered a break-down in morale to the extent that many now accept the idea that they should be taken care of.

Treasurer John C. Martin, chairman of the I. E. R. C., suggested to the group that some means should be devised to require all supervisors to employ the same accounting system to check on expenditures.

Hamilton Charges President Has Made Americans "Jittery"

Charleston, W. Va., Oct. 23.—(AP)—John Hamilton, chairman of the Republican committee, charged today President Roosevelt had made the American people "jittery" by practices that are "anything but encouraging to economic revival."

The recent stock market slump, Hamilton declared in an address prepared for a meeting of West Virginia Republican women, "portends great possible distress" and Mr. Roosevelt "should prepare to deal with the squall."

said he believed should be incorporated in new farm legislation at the special session. Mr. Roosevelt said, "New national farm act should safeguard farmers' income as well as their soil fertility. It should provide for storage of reserve food supplies in an ever normal granary, so that if severe and widespread drought recurs consumers will be assured of more adequate supplies with less drastic increases in price than would otherwise be the case. It should provide for control of surpluses when and as necessary, but at the same time it should preserve the export markets that still are open to our farmers. It should protect both farmers and consumers against extreme ups and downs in the prices of farm products. It should be financed by sound fiscal methods. Local administration should be kept in the farmers' hands."

GREAT BATTLE FOR SHANGHAI IS RAGING ON

Both Sides Claiming Victory Is Near After 70 Hours

Shanghai, Oct. 23.—(AP)—The great battle for Shanghai swayed madly back and forth in the moonlight tonight in a maze of small creeks and meandering canals north of Tazang, six miles northwest of Shanghai.

Both sides admitted severe losses as the Japanese fought desperately to smash the Chinese lines and open the way to Nanking. Just as desperately the Chinese battled to hold Tazang, loss of which would compel retreat from Chapel and Kiangwan, their strongholds on Shanghai's northern fringe.

A Chinese army spokesman declared the Chinese had definitely checked the Japanese threat to Tazang after 70 hours of combat.

A Japanese spokesman asserted details did not matter, because the Japanese were slowly but surely pushing the Chinese back and gaining their general objectives.

Battle Shifted
North of Shanghai the center of fighting shifted from Tazang, where Japanese were trying to cut off Chinese communications about five miles northwest of the International Settlement, to Kwangfou, well to the rear of the Chinese 25-mile front.

Although the Chinese claimed capture of several more villages by rear attacks on the Japanese lines, strong Japanese forces were reported to have captured the village of Chenchiang, an important point on the way to Manjing, which is about 10 miles west and slightly north of Shanghai.

The city itself endured five Chinese air raids before today's foggy dawn.

said he believed should be incorporated in new farm legislation at the special session. Mr. Roosevelt said, "New national farm act should safeguard farmers' income as well as their soil fertility. It should provide for storage of reserve food supplies in an ever normal granary, so that if severe and widespread drought recurs consumers will be assured of more adequate supplies with less drastic increases in price than would otherwise be the case. It should provide for control of surpluses when and as necessary, but at the same time it should preserve the export markets that still are open to our farmers. It should protect both farmers and consumers against extreme ups and downs in the prices of farm products. It should be financed by sound fiscal methods. Local administration should be kept in the farmers' hands."

TYLER ATTENDS MEET OF STATE SAFETY GROUP

Commissioner Cal G. Tyler of the department of public health and safety, spent Thursday in Springfield attending a gathering of about 75 representatives from various sections of the state, who were called together to form the nucleus of a new Illinois safety organization. Many of the state's outstanding professional men were included in the list. There were no luncheons or entertainment, but the program was strictly based on safety and the Illinois automobile death and accident rate. It was estimated that in every 48 hours, 15 lives are taken in automobile accidents in Illinois.

Governor Horner presided at the meeting and instead of inviting the delegate to co-operate, drafted the entire group and assured them that all of the state's resources at his command were back of the movement to halt death on the Illinois highways. In his talk he asked the members to be alert for a "fixed" ticket, and urged that when found that the ticket together with the history of its issuance, be forwarded to the Governor to be exhibited in the state museum at Springfield.

In his talk Gov. Horner assured the delegates that the organization was divorced from any other group and was non-political. Committees were appointed and a program of operation is now being outlined to be presented for adoption at another early meeting.

Commissioner Tyler has been named on the committee for obtaining police reports of all accidents in the state and the accident prone committee. Dr. Jirka, chief of the state department of public health is also a member of this committee.

On his return to Dixon Thursday afternoon, Commissioner Tyler performed his first official duty as a member of the association. A careless truck driver, whose reckless driving was the cause of a minor accident, was stopped.

Commissioner Tyler conducted an investigation of the damage and reported his finding directly to Chief Williams of the state highway police system.

GUZZARDO TO LOCATE STUDIO IN THIS CITY

Announcement was made yesterday by Joseph Guzzardo of the Guzzardo Studios in Rockford that a branch studio will be located at the Hotel Dixon. Instructions, which are to be private, are to be given at the hotel, beginning October 30.

A commendable feature of the Guzzardo Studios is that a pupil is enabled to take instruction in the piano, Hawaiian, Spanish or straight guitar whether or not he owns an instrument. The Guzzardo Studio through a policy of lending the student an instrument has enabled many students to study music who would otherwise be unable to afford such an education. While the student is enrolled in the private lessons, he or she will be able to practice constantly through the week with the loaned instrument. The student has possession of the instrument and case while enrolled in the studio courses. There is no charge for the use of the instrument.

The Guzzardo Studios have been located in Rockford since 1928 and have branch offices in Belvidere and Beloit. The annual dinner of St. Patrick's church of Dixon on October 3 featured the band of the Guzzardo Studio.

All students who enroll in the studio's curriculum are eligible to participate in sustaining programs on radio station WROK in Rockford. The studio has maintained a Children's hour continuously for the past two years over the station.

The Gibson method as employed by the Guzzardo Studio enables the student to play songs after one or two lessons. The Charles McNeil method is also taught for advanced students. The Hawaiian guitar is taught strictly by notes. There are no diagram or number systems used.

Mr. Evans of the Guzzardo Studio faculty has a mid-western reputation as being a leading technician of the guitar. He also teaches a special course in harmony.

OFFICIALS OKAY INCREASED RATE FOR RAILROADS

May Ask Commission For Further Big Increase

Washington, Oct. 23.—(AP)—Executives of the nation's class one railroads, granted a \$47,500,000 freight rate increase, indicated today they would ask the Interstate Commerce Commission to approve a further increase of possibly 10 times that amount.

Railway officials accepted the higher rates announced yesterday by the commission as only a fraction of what they need to meet higher operating costs.

Wage increases in recent months, the carriers contended, added \$135,000,000 to their annual outgo, or three times the extra income approved by the ICC.

May File Petition Thursday
J. J. Peiley, president of the Association of American Railroads, said the organization may file a petition for an additional rate increase next Thursday at Chicago.

Without additional increases, said President William M. Jeffers of the Union Pacific, the railroads may be "forced back into government operation."

In Chicago, Chairman Harry Guy Taylor of the Western Association of Railway Executives said the increases would go largely to eastern lines.

Principal Increases
Principal increases included: Bituminous coal and coke, increases ranging from three to 10 cents, terminating Dec. 31, 1938.

Iron and steel, 10 per cent to a maximum of one cent a hundred pounds; scrap 20 per cent to a two-cent maximum.

Cement, lime, plaster, mortar and gypsum, one cent a hundred pounds.

Petroleum and its products, except in southern territory, one cent a hundred pounds.

Ashton News

Ashton—Mr. and Mrs. William Canfield of Fairmont, Minn., have spent the past week visiting Mr. Canfield's sister and husband, Mr. and Mrs. Arthur F. Gehant. They also visited Mr. Canfield's mother, Mrs. Alice Canfield. For many years Mr. Canfield has been auditor of Martin county in Minnesota.

The freshmen initiation party which was to have been held on Friday evening has been postponed indefinitely. Wilbur Klenke, a member of the Sophomore class has been confined to his home with scarlet fever and it was thought best to postpone this party. The freshmen and sophomores always look forward to this annual party with much pleasure, and it is hoped that they may be able to have it in the near future.

Supt. John A. Torrens of the local high school was elected secretary of the Rock River division of the Illinois Education association, at the annual meeting held at Dixon last Friday. Heretofore, Mr. Torrens has held various positions in the association, having served on the auditing executive committee. Four years ago he was treasurer of this association and has also served on the nominating and public relations committees.

The Ladies' Aid society of the Methodist Episcopal church will hold their annual bazaar and supper on Friday, Oct. 29. The bazaar will open at 2:30 p. m. and they will begin serving supper at 5:45 p. m. A delicious roast turkey supper will be served. Prices are 45 cents and 25 cents.

Miss Emma Schade had as her dinner guests Friday evening Mr. and Mrs. P. O. Bailey and family and Rev. and Mrs. H. B. Schaeffer of Joliet. Rev. Mr. Schaeffer has been the evangelist during a series of meetings that were held at the Evangelical church.

The honor roll call for the grade school for the first six weeks of this school year has been announced and those students whose names appear on the same have done good work and may feel proud of the fact that they are honor students. The list is as follows:

OBITUARY

MRS. LAVINA LONG
(Contributed)
Lavina Darby Long was born in Howard county, Indiana, April 15, 1848, and passed away at her home, 1119 West Sixth street at 8:35 p. m. Saturday, October 16, 1937, aged 89 years, six months and one day. She was united in marriage to William C. Long July 3, 1867, coming to Dixon at that time, where they made their home for about 10 years, then moving to Iowa, in Pottawatomie county, near Oakland, where they engaged in farming.

There Mrs. Long united with the Congregational church, remaining a member of that faith until her death. In 1894 the family returned to Dixon, purchasing the home at 1119 West Sixth street where they have since resided.

Mrs. Long was a devoted mother and loved her home and family, and was never too tired to comfort the sick. Her long life was filled with self sacrifice, and she untiringly cared for husband and children through years of sickness and affliction. Her husband preceded her in death June 25, 1925, and one son passed away in infancy.

Surviving to mourn the loss of a beloved and faithful mother are three daughters and one son, Miss Laura E. Long, Miss Lillie D. Long and Miss Lucy E. Long at home and Charles H. Long of 303 Sherman avenue. Also three grandchildren, Delbert C. and Delroy C. Long and Mrs. Deloris A. Feger, and two great grandchildren, Lillian Dorothy Louise Feger and William Fredrick, Feger, Jr., and one living brother, Jasper Newton Darby of Russellville, Ind. Besides her sorrowing family she leaves many other relatives and a wide circle of friends, by whom she will be greatly missed and lovingly remembered.

Rev. Mr. Rawls of the Congregational church conducted the funeral services which were private at her request from her late residence Tuesday afternoon at 2:30. Those who sang the beautiful songs were Mrs. Lightner and Miss Miller.

She was laid to rest in the family lot in Oakwood cemetery. Her casket bearers were Edward Haas, Jr., Henry Wilson, Erwin Huff, Roy Phillips, Delbert C. Long and Delroy C. Long.

W. C. T. U. Meeting At Baum, Morris Home Wednesday

A very interesting meeting of the W. C. T. U. was held Wednesday at the home of Mesdames Baum and Morris with Miss Callie Morgan presiding.

Mrs. Harriet Olds conducted the devotionals based on Psalm 121. She said: "We live in a world of 'financed information.' A well known financier stated he had set aside \$6,000,000 to defeat prohibition. Is it any wonder that our hope for a world spiritually redeemed has not materialized? We hoped that out of the black night of war would come a new day of truth, but we emerged into the twilight of human selfishness at its worst. Our need today is pure and unselfish love like unto the Christ." She then led in "lifting our eyes unto the hills from whence cometh our help."

The White Ribbon salute was given Miss Flora Seals in appreciation of her five years of efficient service as recording secretary.

Annual reports were encouraging. Three new members were added to the Union, Mesdames Lawton, Beede and Clayton, and Mrs. Studebaker of Franklin Grove conducted an impressive service dedicating three children as White Ribbon recruits: little five-year-old Darlene Marion Shippert and baby brother, Ronald Dee, children of Mr. and Mrs. Lyle Shippert of near Eldena and little Beulah Belle, baby daughter of Mr. and Mrs. Francis Biggs of the Bend.

The guest speaker, Mrs. Studebaker, presented interesting high lights of the state convention. The recommendations of the state president are challenging:

1. Let us put first things first. Our organization was born in prayer and if we are to succeed we must stress the spiritual aspect of the Woman's Christian Temperance Union by the deepening of the spiritual life of the individual member and the organization.

2. Program: We are entering the fourth year of our five-point, five-year program. If we are to complete this plan in the remaining two years, each member must take a personal interest, and assume her responsibility in our program. This can only be done by all working together.

3. National Temperance Education Fund: This fund is to finance the above special program of education. It is practically half raised in our state.

4. That we adopt the national membership plan as presented by Mrs. Anna Marden DeVo, corresponding secretary.

5. That every county president make plans for organizing in their county, by carrying the message of the W. C. T. U. to every unorganized village and town, immediately following the state convention.

6. Owing to the large number of women joining our organization last year, who were unfamiliar with the many phases of our work, I recommend the use of the Topical program and that each local union hold an institute or school of methods before January 1, 1938.

7. That the local unions begin an intensive campaign for new members Nov. 1, 1937.

8. That each local union sponsor L. T. L. and a Y. T. C.

9. I urge the collection of dues of all resident members before March 1, 1938, so that we may have an increase in the number of Hold Fast unions.

10. Unions are urged to give attention to the teaching of the effects of alcohol and other narcotics in their public schools. Interview the school authorities and teachers, and recommend the use of text books endorsed by Miss Bertha Rachel Palmer, national director of scientific temperance instruction.

11. I recommend that we have a pledge-signing campaign as one of our concrete projects this year.

AMOMA CLASS TO MEET TUESDAY—

The Amoma Sunday school class of the First Baptist church will meet Tuesday evening at 7:30 at the home of Mrs. Bon Sitter, 909 S. Galena avenue. A good attendance is desired.

Social Events at Amboy High School

SOPHOMORE PARTY HELD LAST NIGHT—

The sophomores participated in their first social event of the year. This annual party was held at 7:30 last night at the high school.

The evening was begun with a scavenger hunt. After the hunt was finished and the victor chosen, refreshments were served. The remainder of the evening was spent in dancing.

PARENTS AND TEACHERS MEETING—

The parents' and teachers' meeting of October 11 was very successful and well attended.

As a result of this meeting, it was felt that although no question was completely answered, each one of the questions proved to the parents that school administration is not a "cut and dried" proposition, but requires much thought, a somewhat flexible program, and a great deal of co-operation from the home.

The parents were given questions which could not help but open their minds to thinking. Even if a question is not definitely answered, it is good to create interest on the problems of the school, thus developing a school-minded public. It is hoped that the response of parents to invitations to attend other group meetings will be equally as good as the first.

G. A. A. TO HOLD HALLOWEEN PARTY—

Get out your costumes and masks.

Prepare yourself for an evening of the gayest fun you've ever had! The G. A. A. is holding a Halloween masquerade party beginning at 7:30 Saturday, October 30. Halloween is the time that goblins and ghosts haunt the streets dimly, but at the G. A. A. party the goblins dance, and the ghosts sing! There's to be fun for everyone. Try your skill at knocking the bottles down with balls or at any of the other numerous games. Dance to the music of a three piece swing band. See the school's talent displayed in a gigantic floor show. Dress as a skeleton, a gypsy, a ghost or a witch, any old way—but be there Saturday at 8 o'clock. Admission to all this fun is merely 10 cents. Everyone is required to be masked. All students are invited and also outsiders approved at the school office or by the dean of girls, Miss Klapprodt.

JUNIORS AT AMBOY SELECT PLAY, CAST

The cast for the junior play at Amboy high school was selected this week. The play, "The Tin Hero", is a farce in three acts by Charles George and will be presented Nov. 19 under the direction of Miss Olive Sawlaw.

The characters are as follows: Douglas Jack Dieter Mrs. Goodyear Jeanne Long Grace Goodyear Jane Reilly Virginia Nettie Mae Eller Mr. Warner Walter George Griffith Mrs. Warner Ruth Elizabeth Hughes "Bunny" Walter Treadwell Annette Helen Lyle Adelaide Lucille Auchstetter Victoria Josephine Frost Claudette Mary Frances Lewis Spike Douglas Holliston

Understudies to these students are: Wilfred Glaser, Joan Lynch, Rozella Russell, Doris Tuttle, Edward Shippert, Frances Gillan, Charles Milsman, Loraine Theiss, Ruby Miller and Helen Gallisath. Regular practice will begin on Monday.

Progressive Class Stages Hilarious Scavenger Hunt

On Thursday evening at seven-thirty the Progressive class met at the Christian church. The class was divided into teams and proceeded on a scavenger hunt. At nine-thirty all met at the home of Mr. and Mrs. Al Tice after having chased all over town and vicinity for various articles, many of which are almost obsolete. Included among the gleanings were two black cats. Much merriment was had over the results of the various teams.

The Tice basement was all decorated in Halloween colors. A bountiful supper was enjoyed by thirty-six members and guests of the class. The committee in charge of the evening was Sue Stauffer, Mildred Zeigler, Al Tice, and William Bennett.

A brief business meeting was held. The November meeting will be a roast chicken supper at the home of Mr. and Mrs. Ivan Floto. Anna Floto and Sue Stauffer will be in charge of the menu. Ethel Anderson and Don Stauffer are to provide the games and evening's entertainment.

GOP COMMITTEE MARKS TIME AT STATE MEETING

Springfield, Ill., Oct. 23—(AP)—Marking time, the Republican state central committee waited today to see what the party's national leaders will do about the proposed advisory convention and other suggestions for 1938 campaign strategy.

The Illinois committeemen at the end of a long executive session here took no action toward selecting off-year candidates through a pre-primary advisory convention or a committee endorsement.

Both suggestions were referred to the five-man managing committee to be discussed again after the G. O. P. national committee meets at Chicago in early November to consider the Hoover plan for a mid-term conference of Republicans.

Also set aside for future reference, said Chairman John F. Tyrrell of Chicago, were resolutions condemning President Roosevelt and Senator Dieterich.

Congressman Noah M. Mason of Oglesby attended yesterday's meeting, suggesting that a national conference approve the naming of a group of experts to draft Republican campaign principles.

Frank G. Thompson of Mt. Vernon was seated as state committeeman in the 23d district, where there has been a vacancy.

HONORED AT COLLEGE—

Hubert Auman, son of Mr. and Mrs. Earl Auman, was selected to the post of Warden last week by the Y-Coe club members. The Y-Coe club is an organization on the Coe college campus for men who live at the Y. M. C. A.

FOR MRS. SULLIVAN—

Mrs. William J. Sullivan of Newport, N. Y., was an over night guest of Mrs. Nellie Van Inwegen Friday. In her honor Mrs. Van Inwegen entertained at dinner and bridge.

The Women's Relief Corps will meet in G. A. R. hall Monday afternoon at 2:30 o'clock.

USES OF SEEDS UNDER PROGRAM FOR '38 GIVEN

Provisions regarding the use of adapted red-clover and alfalfa seed in the 10 corn Belt States of the North Central Region, under the 1938 Agricultural Conservation Program, will be similar to the regulations governing the use of such seeds under the 1937 program.

Claude R. Wickard, Director of the North Central Division of the AAA, announced today.

A feature of the proposed 1938 program, Mr. Wickard pointed out, provided for establishment of a soil building goal for each farm and soil-building practices which may be used in achieving this goal. One of the proposed practices is the seeding of perennial and biennial legumes, he said.

In advising North Central Region farmers of the program provision, Mr. Wickard said, "New seedings of red clover or alfalfa, or mixtures containing these seeds, would be counted in achieving any 1938 soil-building goal established for a farm in connection with this proposed program only if made with adapted seeds."

"The provision concerning new seedings is especially important," Mr. Wickard said, "in the 10 Corn Belt States of the North Central Region where red clover and alfalfa constitute two of the principal soil-conserving crops."

The value of using only adapted red-clover and alfalfa seed was aptly demonstrated in 1937, Mr. Wickard pointed out. "Because of widespread interest in the use of adapted seeds as a result of the requirements in the 1937 program," he said, "numerous test plots of adapted domestic and imported red-clover and alfalfa seed were planted."

"A great majority of these plots demonstrated the superiority of adapted seeds over unadapted imported varieties, even during the year in which they were planted, and this superiority should be even more apparent in 1938, according to past experience. Unadapted seeds often show a reasonably satisfactory growth the first year, but fail to survive the winter. In 1937, even the first year's growth was very unsatisfactory in many cases."

"Adapted" seeds produce hardy, insect and disease resistant stands of red clover and alfalfa which are more capable of surviving rigorous winters than those of unadapted seeds.

Red-clover and alfalfa seed from virtually the same sources as were approved for 1937 will be considered as adapted in 1938.

SCHOOL BAND IS DOING WELL SAYS PROF. WESTGORE

Demonstration of Band Instruments to be Given Tuesday

A musical instrument demonstration, such as was held early this summer, will again be the big attraction next Tuesday evening at the high school gymnasium from 7 to 9:30. This is the opportunity for all students wishing to get started in the school band or orchestra to view the various instruments and select the instrument most suited to them.

The rental plan is available on all instruments. This plan has proved to be very popular. An entirely new band of approximately 50 pieces was started this summer through this rental plan. Without any obligation to the purchaser, one may rent a new instrument for one, two or three months with the understanding that the rental will be applied on the purchase price if the child proves to the satisfaction of the parent that the purchase will be a wise investment.

All students from fourth to eighth grades, inclusive, were tested musically last spring. These records are on file and are available to the parents. The instruction is free and is available to all students on band and orchestra instruments.

The new band, consisting of all beginners which was started this summer and is now doing splendid work, includes the following members:

HOW LONG HAVE WE BEEN MARRIED?

TOO LONG!

Today we have one based on the long criticized forgetfulness of man. An outstanding example of the model husband was Jones. But, alas, Jones couldn't remember his anniversary. He arrived at his home one evening and said to his wife, "Say, dear, how long have we been married?" His wife, who used to teach school, replied, "I have been married two-thirds of my life but you, being a dozen years older, have been my husband six-elevenths of your time in this world." Jones was perplexed at having his question answered in this way but finally he figured it out. How long had they been married?

Answe to Yesterday's Twizzler

The current of the stream helps the man in the boat going down just as much as it hindered him going up so if he rows upstream in 10 minutes it will take another 10 minutes to catch the bottle which travelled, therefore, the three miles in 30 minutes or at a rate of nine miles per hour.

Louise Bixler, Ronald Keller, Charles Camery, Charles Sykes, Billy Wickey, Harold Salzman, Barbara Langan, Jane Goff, Dorothy Kerchner Keith Clark, James Crombie, Paul Dewey, Russell Beyers, Raymond Hood, Margaret Kiling, Walter Knack, Robert Jacobson, Robert Popma, Jack Weiss, Bobby Schmidt, Norma Flanningam, Arthur Bonadeur, Ned Auman, Bob Woodworth, Lois France, Billy Goff, Frank Heckman, Harvey Ware, Carmen Schofield, Lois Blimling, Bernice Tucker, Evelyn Kested, Amy Viola Scholl, Dwight Eberly, Trevor Campbell, Donald Edwards, Nadine Stepp, Mary Marth, Nadine Galos, Robert Whiting Jack Ackert, Roseanna Deutsch, Robert Traynor, Billy Cooper, Robert Miller, Sue Bryant, Mavis Westgor, Billy Newman, Robert Wentling.

Prof. Orville Westgor, director of

the band, was much elated in having placed four French horns among this group. In the group about to be organized he hopes to place at least one or two bassoons, an oboe, and an alto or bass clarinet. For the orchestra more cellos and violas are needed, also bass violin.

The high school band and orchestra last year raised enough funds through benefits to buy a sousaphone. This year it is hoped through the same method to purchase another one as it is very essential to have at least two. Uniforms are also needed and incidentally it is not necessary to refuse good public spirited citizens who from time to time desire to aid financially. Remember the date of the demonstration. Next Tuesday evening, October 26, at the high school gymnasium from 7 to 9:30 or until all have been taken care of.

A representative of the rental concern and Professor Westgor will be on hand to aid in every way possible.

Insurance Agent: Did you ever meet with an accident?

Applicant: No — never have.

Agent: Ever been sick?

Applicant: Yes, I reckon I have. Several years ago a mule kicked me and broke my left leg, and two weeks after I was up and around a rattlesnake bit me.

Agent: Well heavens alive, don't you consider those accidents?

Applicant: Nope, they done it on purpose.

Young lady: I understand you have very small congregations at your church.

Second young lady: Yes, we have so few people that when the preacher says "Dearly beloved" it makes you feel like he's proposing.

Sonny Boy (to playmate): There's a lot of partiality at our house.

Playmate. Why, what makes you say that?

Sonny: Cause I gets punished when I bite my finger nails and if the baby bites her toes.

"WE PLANNED IT THAT WAY"

We do not know about stock markets and all the things that make them go up and down, in which case we stand about with the average person. We can look only to Washington, where modes of management were perfected, for we have read the president's addresses, and we have learned:

"We planned it that way, and don't let anyone tell you anything different."

If there has been one outstanding thing in which the New Deal grand planners had unrestricted sway, it was in dealing with the stock exchanges of the United States.

The NRA had flopped and had proved it was not suitable to this country, but action by the supreme court by a unanimous vote gave the New Dealers an alibi. The AAA had been crucified on the infamous potato law before the supreme court performed the merciful act of chloroforming it ahead of the enforcement of the act that provided jail sentences for persons who purchased potatoes not marketed in packages bearing government authority. The court held that the president could not go about cutting off official heads of members of independent commissions of the government.

Without let or hindrance the medicine men have been permitted to bring about their cures by manipulation of the currency, by either a managed or a mismanaged currency. Without the slightest interference they have been permitted to show just how to prevent a stock market boom and a stock market slump.

"Managed" currency was to be one of the means of dealing with booms and slumps, the common names for "peaks and valleys" in our economic lives. The securities and exchange commission was to be the one to make regulations that would control the stock exchanges, the brokers, the bankers, and the corporations that issued the stocks and made the reports on financial conditions.

We had the upward swing of the market, stocks going to prices far beyond anything warranted by current earnings. Machinery had been set to stop a boom, but the administration was committed to a policy of higher prices, and when prices went up the policy seemed to be at work. Nobody seemed interested in stopping the boom any more than anybody was interested in stopping the bull market in the Hoover era. At that time Andrew Mellon told the country, "Now is a good time to buy bonds," indicating to anyone who wanted advice that it was a good time to sell stocks and buy bonds. Comparatively few people took the Mellon tip, but it was there for them.

Now we are having the downward swing of the market. Government agencies set up to prevent these wide swings and resultant losses to purchasers of securities are helpless.

The government has control of the money, but the money managers seem as bewildered as editorial writers who do not pretend to know anything about the causes and effects of stock market booms and slumps except—"We planned it that way, and don't let anyone tell you anything different."

BIG BROTHER ROLE FAILS TO HIDE GERMAN AIMS

The "Scrap of Paper" incident of early World War days remains too fresh in the memory of the world to permit much credence in Germany's "big brother" pledge of Belgium's neutrality in event of western European war.

Echoes of war machines rumbling across devastated Belgian fields drown out the pleasant platitudes Reich spokesmen voice in proclaiming lasting friendship and undying faith with their western neighbor.

Tacitly, seeking every advantage to protect herself, Belgium has accepted the pledge—somewhat tongue-in-cheek—but awaits developments to test its fulfillment.

Not wholly altruistic was Germany's promise to respect the territorial rights of a neutral nation and to defend her unthreatened sovereignty.

Hitler eyes covetously the lands of western Russia. If Germany is to be deprived of colonial possessions, on other continents, more attractive lands are nearer, more accessible. With Belgium a neutral buffer between French and British armies and her own western border, Der Fuehrer sees opportunity to concentrate his growing military machine on eastern objectives.

Treaties bind France and Russia in case of aggression, but Hitler discounts French assistance if his ancient enemy is forced to fight along the narrowed battle line between Belgium and Switzerland.

To check France and throw the main weight of his army against an eastern front is Hitler's all-too-apparent aim.

Turning to a policy of strict isolation in future European conflicts, Leopold III, a worthy successor to a hero king, sees little return from a devastating war that cost Belgium more than 93,000 men.

Last April he asked and was granted release from the Locarno pact, by France and Great Britain, retaining

however obligations of the League of Nations against aggressor nations.

And herein lies the danger. For as a member of the league, Belgium might be obliged to enforce sanctions against her newly found friend, in which case Germany—according to the terms of the latest agreement in case "Belgium should participate in military action directed against Germany"—may again regard this treaty as so much waste paper.

Placed in such a precarious position, Belgium can well remember the ancient warning of Greeks bearing gifts. Germany has been tested before and found wanting.

WINDSOR WELCOME

The voice came from the radio, slow, firm, and deliberate.

"I now quit altogether public affairs and I lay down my burden. . . ."

It was Edward, Duke of Windsor, lately King of England, speaking. He was giving a solemn promise to the world, on the word of an English gentleman.

Hence one inclines to discredit the British radical papers, which assail him bitterly for having gone to Germany and touched hands with those who, to radicals everywhere, are "untouchables." It seems impossible after his solemn promise, that Edward can have any fugitive plans for any sort of participation in politics. "Altogether" and "public affairs" are words specific enough and sweeping enough to allow no interpretations.

Hence Americans may wholeheartedly welcome to America this former king and his lovely American wife with no worry that he has any hidden purpose in such a trip. May they be welcomed simply, decently, and without hysteria, for what they are: two charming and likeable people.

DIXON HOSPITAL RATED ADEQUATE FOR COMMUNITY

Placed On Approved List With 2621 In U. S., Canada

Katherine Shaw Betha hospital is named among the 2,621 hospitals approved in the United States and Canada by the American College of Surgeons at the clinical congress of the college which opens Monday, October 25.

Dr. George Crile, chairman of the board of regents, says in making public the approved list:

"What constitutes a good hospital," Dr. Crile stated, "should be understood by everybody. Through good hospitals medical science is advanced, and constantly better chances of restoration to health afforded patients. Consequently the college regards the announcement of its approved list as a contribution to progress in health standards, evidencing as it does the hearty co-operation of the hospitals themselves in improving their ability to render efficient care."

Ten main criteria observed in determining the rating of each hospital were summarized by Dr. Malcolm T. MacEachern, associate director of the college, who directs the work of hospital standardization, as follows:

"1. A modern physical plant, assuring the patient's comfort and proper care.

"2. Clear definition of organization, duties, responsibilities and relations in the hospital's constitution, by-laws, rules and regulations.

"3. A carefully selected governing board with complete supervisory authority.

"4. A competent, trained superintendent, responsible to the board for carrying out its policies.

"5. Adequate and efficient personnel, properly organized and competently supervised.

"6. Organized medical staff of ethical, competent physicians.

"7. Adequate diagnostic and therapeutic facilities under competent medical supervision.

"8. Accurate and complete medical records, readily accessible, for research and follow-up.

"9. Regular group conferences of administrative staff and of the medical staff for reviewing activities and results so as to maintain a high plane of scientific efficiency.

"10. A humanitarian spirit—the primary consideration is the best care of the patient."

EVER HEAR OF 'BROSTER' HERE'S WHAT IT MEANS

St. Paul —(AP)—Twist your tongue around and get ready for a new word—"broster."

Prof. F. Earl Ward of the Macalester college English department says a former student suggests it as a word to represent "brother and sister." See how it works? Half of each word.

The Germans and Scandinavians have a word for it, but the English language is devoid of a single word to express the meaning.

An "s" on the end gives you "brosters," one brother and two or more sisters. Two or more brothers and one sister has to be "sproster." And from that easily comes "sprosters," two or more brothers and two or more sisters.

"I'm going home to see the folks and sprosters." It tells everything, except their names.

TRUSTEES PERRY MEMORIAL TRUST IN FINE REPORT

Remarkable Gain in Assets Recorded at Princeton

The trustees of the Jesse A. Perry memorial fund, Mrs. Nelle McLean Gibbs, Mrs. Beryl T. Heck, and Cairo A. Trimble, filed this week their annual report in the Bureau county circuit court. Attached to the report is an audit of the account for the 20 years and 8 months since the trusteeship was established under the will of the late Jesse A. Perry of Malden.

Throughout the period of the audit, Attorney Cairo A. Trimble of Princeton, has been a member of the trustees and during that time the original principal of \$13,597.31 received from the estate has been increased \$10,226.12 so that today \$23,823.43 is held in the principal account.

Used for Needy Children

The income from this fund which has been in operation for over two decades has been used for the benefit of the worthy, needy children of Bureau county. The sum of \$17,988.70 has been spent from the operating income, providing medical and dental care as well as contributions to other worthy charitable causes.

This has been possible due to the fact that all the work in the operation of the fund has been volunteered by members of the board of trustees who not only contribute their time, but also their gasoline, meals, and other expenses in their trips over Bureau county.

Perry Memorial Hospital

In addition to this trust fund, Mr. Perry's wife, Julia Rackley Perry, in her will, gave \$53,237.45 to the founding of the Julia Rackley Perry Memorial hospital, which is one of the outstanding institutions of Bureau county. In addition to these benefactions, both Mr. and Mrs. Perry contributed large sums of money to the Christian Home Association of Council Bluffs, Iowa, a home for orphan children. Most of their charities because of the tender memories of their only child, a son, who died when about 9 years of age. The Perry family are outstanding in the history of Bureau county as the largest contributors of money for charitable purposes.

Trustees of Fund

The following trustees and their successors have served in the operation of the fund since its inception:

Present trustees, Cairo A. Trimble, Nell E. Gibbs and Beryl T. Heck. Jan. 8, 1917, Cairo A. Trimble, Mabel S. Priestley and Hubert A. Clark appointed trustees.

May 18, 1925, Minnie A. Fraser appointed in place of Mabel S. Priestley who died Sept. 29, 1923. Feb. 5, 1927, Nell E. Gibbs appointed in place of H. A. Clark, who died July 27, 1926.

Nov. 19, 1930 Beryl T. Heck appointed in place of Minnie A. Fraser who moved from Princeton and resigned.

Inventory and Reports

On June 8, 1918 trustees filed an inventory showing total of \$13,597.31 turned over to them by Cairo A. Trimble, executor of the will of Jesse A. Perry, deceased, of which \$412.31 was cash and the balance stocks and bonds listed at the then market value of the inventory.

Expenditures Itemized

Below is listed an analysis of the large amounts of money spent in the last 20 years, which includes 1,354 specific cases, in addition to other contributions.

Answer to Yesterday's Twizzler

1. Studies of this point have been made and, in general, they agree that more women than men tend to act on impulse. Women are guided more by their feelings and men by their ideas. More women than men feel their way through life while more men than women think their way through life.

intensity. The higher the intelligence the fewer fears and the less intense they were.

Answer to Question No. 3

3. It depends upon what type of greatness we have in mind—greatness of outward achievement or greatness of soul and character. Of the former type no one is great except those who have brought about great changes in men's thought or life—such as great generals, statesmen, inventors, poets, writers, artists and philosophers. But some of these have been persons of very small and mean soul and character. On the other hand, millions of obscure men and women rank among the great of earth in courage, tolerance, kindness, cooperativeness and all that is truly great in human nature. Purple Steam Roller Bowls Over DeKalb 18 to 0

On the Spot

Hackensack, N. J., Oct. 23—(AP)—Pupils take football seriously at Hackensack high school and it's not too healthy for a sports writer to pick the other team to win.

Seventy Hackensack high school students, boys and girls, stormed the editorial offices of the Bergen Evening Record last night, demanding to see sports editor Al Del Greco, who had the audacity to predict an 18-0 victory for Englewood in today's game.

Tomatoes were thrown and imprecations were hurled before the demonstrators departed, their ire not completely assuaged. Del Greco didn't happen to be there.

BEST PIGSKIN MENU IS READY FOR MILLIONS

Cornell Plays Yale In Ivy League Feature

New York, Oct. 23—(AP)—Saturday's millions, who defy wind, rain and gloom of night to pack the stadia of the land, are rewarded today by one of the most attractive pigskin carnivals of the season.

Top flight contests on the eastern seaboard will be as plentiful as debutantes at the Yale Bowl, where Cornell and Yale, two ancient stalwarts of the game, meet in an outstanding Ivy league contest before a crowd of about 50,000. If Yale gets by this one the Elis will have a strong claim on eastern leadership. A powerful Cornell team, on the rebound, says they won't.

The eastern schedule also includes such worthy intercollegiate clashes as Fordham vs. Texas Christian, Colgate and Duke and Pitt-Wisconsin. Strictly sectional but very interesting are Harvard-Dartmouth, Princeton, Rutgers, N. Y. U.-Lafayette and Columbia-Brown contests.

Midwest Card Good
The midwest offers Notre Dame and Navy, two of the nation's most popular teams, at South Bend, and Ohio State and Northwestern at Columbus. A crowd of around 75,000 is expected.

U. C. L. A. and Washington State, Oregon and Oregon State and Washington and Stanford are the other choice coast pairings.

The southwest and the south are full of high-class offerings. Baylor and Texas A. and M. lead the southwestern parade with Texas and Rice and Arkansas and S. M. U. paired in the same sector.

L. S. U. Faces Vanderbilt
L. S. U.'s mighty forces face Vanderbilt in one of the south's best encounters while Alabama travels to Washington to battle George Washington. Manhattan invades the country of the Hatfields and the McCoys for a feud with Kentucky. Georgia Tech and Auburn, Tennessee and Sewanee, and North Carolina and Tulane also figure prominently in the southern sector.

Preliminary firing open last night on the eastern front as Temple beat Carnegie Tech. 7 to 0, an upset in view of Notre Dame's defeat at the hands of the Skibos. In the south Citadel trimmed Richmond, 26 to 0, and in the midwest Grinnell defeated Washburn, 13 to 0. St. Mary's eked out a one touchdown triumph over Idaho, 6 to 0, in the coast's big game.

Henrich Announces He'll Be Regular On Yankees' Nine

Baltimore, Oct. 23—(AP)—Young Tommy Henrich, slugging free-agent outfielder of the New York Yankees, served notice today he was going out to cop a regular job with the world champions when his ailing left knee mends.

and place it in the Motor Fuel Tax Fund.

Supervisor Hemenway spoke before the Board relative to the meetings of the County Board, stating that several of the surrounding Counties are meeting once every month, instead of every three months, as has been the custom in Lee County.

Considerable discussion was entered into by several members of the Board, as well as State's Attorney Jones.

Motion was made by Supervisor Rose, seconded by Supervisor Hart, that from now on the Board will meet monthly instead of quarterly, as in the past. Said motion coming on for a vote of the various members, the Clerk proceeded to call the roll which resulted as follows:

Those voting aye: Supervisors Hemenway, Buckingham, Vaupel, Archer, Spencer, Rose, Stanley, Garrison, Wilson, Anderson, Mau, Kranov, Willis, Lally, Becker, Wolf, Emmitt, Hart, Cortright, Kuebel, Montavon, Risetter, and Knetsch:—23.

Those voting nay: Wagner, Gehant and Mehhausen:—3.

Thereupon the Chairman declared said motion carried.

On motion of Supervisor Garrison, seconded by Supervisor Hemenway, the Board of Supervisors adjourned until 10 o'clock Thursday morning, September 16, 1937.

On Thursday, the 16th day of September, A. D. 1937, at the hour of 10 o'clock in the forenoon, the Board convened pursuant to adjournment. Present: Honorable Chairman Ramsdell and all members of the Board.

The minutes of Wednesday's proceedings were read before the Board by the Clerk and there being no objections offered, said minutes stand as read.

The Claims Committee present their report recommending the allowance of the following claims, and on motion of Supervisor Risetter, seconded by Supervisor Willis, said report is received and approved by the Board, and the Clerk is directed to issue orders for the various amounts as follows:

JILL

BY MARY RAYMOND

Copyright, 1937, NEA Service, Inc.

Illustration by Virginia Krausmann

Jill leaped to her feet. Her face flushed scarlet, and then turned very white. "Then I won't go! You know I detest him."

CAST OF CHARACTERS JILL WENTWORTH, heroine, attractive debutante. ALAN JEFFERY, hero, rising young artist. BARRY WENTWORTH, Jill's stepbrother. JACK WENTWORTH, Jill's brother. SYLVIA SUTTON, old heiress.

Yesterday, Jill arrives from Europe, meets Alan Jeffery. Then he was to drop out of her life and she wanted to know so much more about him!

CHAPTER II

JILL spoke quickly: "I'm Jill Wentworth. The John H. Wentworths. We're the only ones in the book. You'll call me some day, won't you? I want to see the pictures you made on the continent."

"Thanks," said the young man, "I'm Alan Jeffery."

The taxi rolled to a stop at the curb.

"Goodbye," she spoke faintly. All the confidence was gone. A lump was in her throat. She liked him tremendously. She had liked him tremendously in Europe.

"Goodbye," said Alan Jeffery, quickly, handing a bill to the driver. He lifted his hat, placed it firmly on his head, picked up his luggage and headed toward a subway.

Jill had a wild desire to call out: "Where are you going?"

But of course no well-bred girl would do that. She settled decorously back in the seat and nonchalantly touched up her lips.

Just in case that driver suspected her deep disappointment.

Maybe he is a very good painter, Jill thought, trying to extract some comfort. Maybe his pictures will be exhibited. Certainly, she was going to read the art sections in all the newspapers from now on.

THE lonesome feeling persisted. Jill couldn't shake it. Not even when the taxi was rolling up the driveway of her home.

"I'm at home!" Jill thought, trying to muster enthusiasm.

A moment later, she was standing irresolutely in front of the massive door. She waited another moment before pressing the bell.

Well, what had she expected? A brass band, as Alan Jeffery had suggested?

The door swung open. "Miss Jill!"

"How are you, Howell?" Jill spoke pleasantly to the amazed butler. Some of her sober mood dropped from her.

"Nobody knew I was coming,"

Jill added. "Is mother at home?" "Yes, Miss Jill, and mighty busy—" Howell checked himself, with a swift upward glance.

Jill mounted the stairs, smiling a little. When had she ever known her stepmother when she wasn't busy at something. Making a tremendous stir about the simplest thing.

She had reached Mrs. Wentworth's room, and now knocked.

"Jill! Heavens, where did you come from?" Mrs. Wentworth exclaimed.

"From Europe. I've been spending some time there recently. Didn't you know?" Jill's tone was light, as she stooped and kissed the older woman.

"It's a wonder that I did. You are a very unsatisfactory correspondent, Jill. Why didn't you cable that you had definitely decided to sail?"

"It doesn't matter now. I'm here," Jill said.

JILL had risen from her chair. "Oh, don't go, Jill!"

There was something queer about her stepmother's manner, Jill decided. The bright excitement in her face and voice pre-empted something.
